

Direct Fab® is treated for direct dye sublimation printing by dipping. Unlike traditional dye sublimation printing, you can print an image onto the fabric directly without transfer paper. DTropical provides highly ink absorption and anti-shrinkage effect to prevent the material shrinkage on heating process. With the softness, lightness and durability, it is suitable for all kinds of indoor or outdoor signages. In comparison with traditional dye sublimation printing, you will be able to save much more cost and working time as well as avoid the various problems, such as skewing, wrinkling and so on.

### Application

■ Outdoor/Indoor sign	■ Hanging banner display	■ All kind of flags	■ POP-UP banner
■ Flying banner	■ Available any kinds of display anywhere		

### Recommended Printers

D.gen	Mimaki	ATPColor	Mutoh
★★★★★	★★★★★	★★★★★	★★★★★

### Technical data

Base material	100% polyester Poplin	Compatible Ink	Dye Sublimation Ink
Denier	150 X 150	Ink limit	250%
Total weight(g/m <sup>2</sup> )	100 ± 2	Surface finish	Matt
Thickness(μm)	165 ± 2	Optimum printer temp.	70°F (21°C)
Threads per Inch	61T	Relative humidity (RH)	20~60%
Tensile strength (Kg/mm <sup>2</sup> )		Life expectancy	Indoor : 6 months
Color(CIE Mesearment)			Outdoor : 3 months

### Roll Specification

Width	Gross Weight / roll (Kg/roll)	Roll length	100m / 50m
60" (1520mm)	9.34(50m) / 17.04(100m)	Diameter of Core	2 inch
		Thickness of Core	4 mm

### Performance features

<ol style="list-style-type: none"> <li>1) Compatible with all kinds of dye sublimation printers and ink</li> <li>2) True color reproduction with rapid drying times</li> <li>3) Save transfer paper cost by printing directly to fabric</li> <li>4) No ink is lost in the transfer process, prints come out in brighter, more saturated colors.</li> <li>5) Wrinkle-free performance, even after long-term storage.</li> </ol>
--

### Remark

<ol style="list-style-type: none"> <li>1) MOQ (Minimum Order Quantity): 98 rolls / 2 pallets</li> <li>2) 1 pallets = 7 rolls X 7 rolls (49 rolls)</li> <li>3) Offer: FOB Pusan, South Korea</li> <li>4) Estimated Delivery time: 7 days by Air / 5~6 weeks by ship</li> <li>5) When the defect on quality come up, we will replace that material by the new roll.</li> </ol>
